

POLICY UH 004

Attendance at Up Holland & District u3a Meetings / Trips / Group Activities

- **Non-Members:** Persons who are NOT members of any u3a may attend up to 2 meetings as a visitor free of charge on production of a Taster Session card. These “TASTER SESSIONS”, prior to joining our u3a, are restricted to Interest Group meetings and Speaker meetings. The relevant Group Leader will pass the completed Taster Session card to the Membership Secretary who will record and monitor attendance.
Group Leaders can reclaim the normal meeting charge from the Treasurer
- **Members of other U3As:** Provided there is sufficient space, members of other U3As are allowed to attend Up Holland & District u3a Interest Groups, trips and events. However, if they wish to attend a particular group regularly they should join our u3a as an associate member. Attendance will be reviewed regularly by the Group Leaders to ensure that Up Holland & District u3a members are not prevented from attending.
Up Holland & District u3a members will have priority over members of other u3as. All attendees will pay the same group meeting fee.
- **Special Events - Non-Members:** On an occasional basis, with Management Committee approval, non-members will be allowed to attend concerts and events after Up Holland & District members have had the opportunity to purchase tickets. It is not acceptable for the same non-member to regularly attend u3a events without joining.
- **Speaker meetings** Members of other u3as will be allowed to attend monthly Speaker Meetings so long as our committee believes they can be safely/comfortably accommodated, (this concession may be withdrawn at any time”).
Non-members may use one of their Taster cards to attend one monthly speaker meeting prior to joining our u3a.
